

# What's New in Dynamic Content 21.11

November 8, 2021

# Barcode Support

- Dynamic Barcodes now supports Eberle and CIP-39 barcode types.

Eberle code

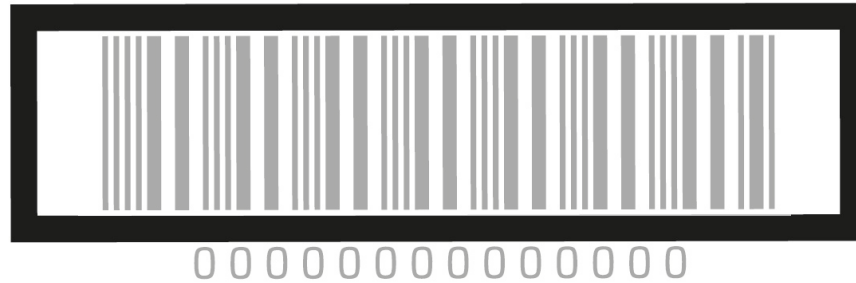

CIP-39 code

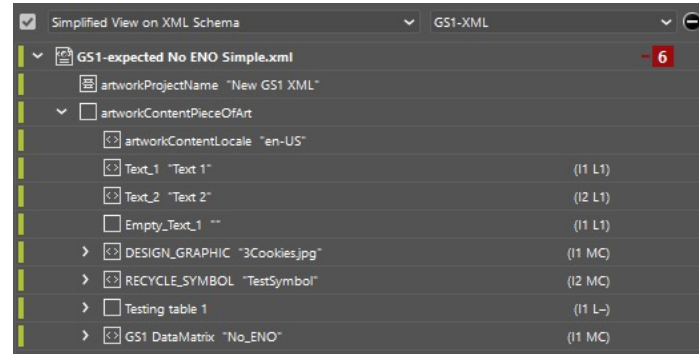

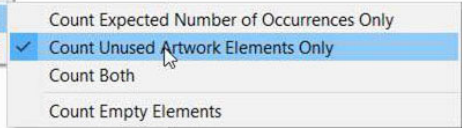

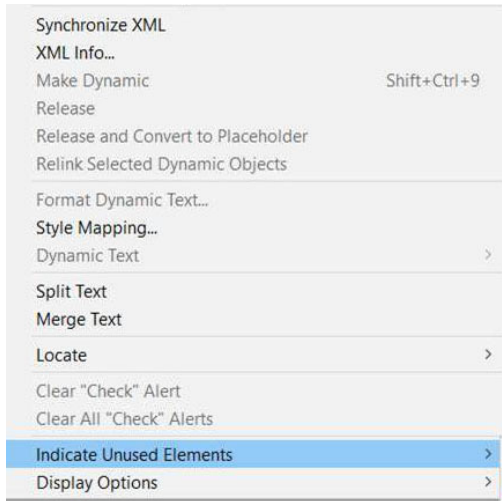

# Barcode Optimization

- The barcode output resolution is now also applied to boxes.

# Unlinked Element Alerts

- New options to provide alerts when GS1 XML content elements are not used within the artwork.

# Operating System Support

- Dynamic Content now supports macOS Monterey and Windows 11.
- Dynamic Content runs natively on Apple M1 processors
