Other Enhancements

Usage Tracking in Studio Toolkit

We've have added usage tracking to Studio Toolkit. This helps Esko improve the software but also gives you a dashboard to see statistics on your usage.

Optimized Menu Structure

The menu structure in Illustrator has been optimized so you can more conveniently navigate to Studio actions. Find them in one place via "Window > Esko Studio".

 Support for the old Esko Flexible Bag (.bag) file format has been removed; please recreate your flexible bag via Studio Toolkit.
